

# InterConnect2015

The Premier Cloud & Mobile Conference

**Charging Station ..... \$3,000**

Drive traffic to your booth and provide a valuable service to your clients and prospects by sponsoring a charging station for smart devices. The display and front of the unit can be customized with your branding, including your logo, company name, or booth number. Invite your guests to charge their phone while you network or give them a demo. Locations for placement in the Solution EXPO include:

- 1) Inside your EXPO space which requires an area of 3 square feet.
- 2) Next to a support column on the Solution EXPO Floor.
- 3) Outside the Solution EXPO in a high traffic area.

You will receive acknowledgment of your sponsorship in the Guide. Twelve (12) opportunities available.

Must be approved by IBM

**Submission Instructions:**

**Branded Screen (sample below) –**
