## **Instructions for IBM Business Partners: How to Submit a Document to the e-Literature Library**

Dear IBM Business Partner,

We are encouraging all IBM Business Partner sponsors / exhibitors to use the e-Literature Library capability to share collateral with conference attendees. Each Business Partner sponsor / exhibitor will have a specific category (by company name) in the e-Literature Library, so it will be easy for attendees to find your collateral.

The IBM InterConnect 2016 e-Literature Library will be open to receive documents on **December 14<sup>th</sup>, 2015**. You will have until **February 12<sup>th</sup>, 2016** to send PDF copies of your collateral. - PLEASE DO NOT SEND MORE THAN 5 DOCUMENTS PER EMAIL**
- All documents **MUST** be PDF files – no other file types will be accepted
- Each PDF file must be **no larger than 1.5 MB** – if you have a larger document, you will need to break it up into part 1 and part 2

- All document submissions must contain the following details in this exact format:

**Category:** Business Partner's Company Name

**Attachment:** PDF file - must be no larger than 1.5 MB

**Owner:** e-mail address of the person who owns the document

**File Name(s) / Brief Description(s):** the actual PDF file name and a 1 sentence description.

*(Note: please use descriptive file names, not numbers, to help attendees understand the contents; i.e., ABC Industry Solution. Keep in mind that the e-Literature Library can also be accessed from the attendee's smartphone so brief file names / descriptions are recommended)*
